

Durair II PNEUMATIC ACTUATORS

DURAVALVE MANUAL AND ACTUATED VALVES

DuraValve is a quality supplier of brass and stainless steel ball valves, butterfly valves, pneumatic and electric actuators and actuated assemblies.

The DuraValve direct mount style ball valve, with it's superior stem seal design, provides long cycle life when mounted to the DurairII Pneumatic Actuator or DuraValve Electric Actuator.

DuraValve provides precision made mounting kits for non-direct mount style valves that assure proper valve to actuator alignment.

DuraValve's design provides Namur Connections for limit switches, solenoids, positioners and other accessories.

Supported by a dedicated team of highly experienced professionals, you will benefit from many years of successful industrial valve experience. DuraValve offers excellent engineering/technical support and superior customer service. DuraValve provides you with a reliable, readily available product for a broad range of operating environments, at a competitive price.

Note: The right is reserved to change or modify product design or construction without prior notice and without incurring any obligation to make such changes or modifications on products previously or subsequently sold.
